

Cr Andy Wood

Andy Wood was elected to Goulburn Mulwaree Council for the first time in 2021, and brings experience as a trained musician, and teacher along with previous roles in small business and retail.

He believes it is important to work collaboratively with councillors to help residents and businesses equally. Some of his priorities for this term include putting a stop to the proposed Veolia Incinerator in Tarago, supporting local businesses to grow, streamlining the development application process to enable residents and businesses to quickly complete projects and facilitating the return of full centrefire rifle use to Goulburn Rifle Range.

Andy is a member of the Shooters, Fishers and Farmers Party, and has served in a variety of roles for St Nicholas' Anglican Church, Goulburn Musical Society, Rocky Hill Musical Theatre company and the Goulburn Branch of Sporting Shooters Association of Australia.

He has lived in Goulburn since 2003 with his family, and has taught in local schools during this time. In his spare time Andy enjoys target shooting and hunting, playing music, watching documentaries and reading about military history.
