## Claims Handling Information

---

Please note that the provision of this information should not be considered as an admission of liability on the part of Goulburn Mulwaree Council (Council). All claims will be considered on a "Without Prejudice" basis. The acceptance of a completed claim form by Council in no way infers negligence on the part of Council, or binds Council to provide compensation.

Before Council is obliged to pay compensation for any injury, loss or damage suffered, it must be established that this injury, loss or damage was caused through negligence on the part of Council, or employees, or agents of the Council.

The proof required to establish negligence, can be onerous and quite often you may be better served by seeking compensation through your household, motor vehicle or medical insurance if you have it. Should your insurance company then consider Council to be negligent, it may seek reimbursement of its costs and any excess that you have paid from Council.

If the claim is in relation to a Motor Vehicle, you are able to make a claim against your own Insurer. Your Insurer may then consider seeking recovery against Council. This option may result in an initial upfront payment to your Insurer for the applicable excess, however it will ensure that your vehicle is repaired by your Insurer's authorised repairers and the repairs are guaranteed.

If you do not wish to make a claim against your own insurance and wish to pursue a claim against Council, please complete the attached Claims Handling Form. If you have any questions, please contact Council's Governance & Risk Coordinator on (02) 4823 4481.
