Recycling Collection

Organic Waste Collection

No Collection ***

May Disposal Weekend *

November Disposal Weekend **

* May Disposal Weekend includes fridges/freezers/air-conditioners, mattresses, clean steel and e-waste only.

Self-haul to waste centre. Conditions apply for free disposal.

** November Disposal Weekend includes bulky household general waste and clean steel only.

Self-haul to waste centre. Conditions apply for free disposal.

*** Collections due to take place on Good Friday and Christmas Day will occur the following day.

Printed on 100% recycled paper and is recyclable. Remove magnet before placing in your yellow bin. Turn over for waste and recycling advice.

HANDY HINTS!

GREEN BIN

Food and garden organics

- All garden organics and food waste goes in the green bin, either loose, or in a certified compostable bag. Collect compostable bags for use in your kitchen caddy for free from Council.
- Food produces methane gas when it breaks down in landfill so it's very important to put it in the green bin for composting.
- Used pizza boxes, paper towel, tissues and shredded paper can go in the green bin - all other paper/cardboard goes in the yellow bin.

YELLOW BIN

Recycling

• DO NOT PUT YOUR RECYCLING INSIDE A PLASTIC BAG

- Co-mingled household recycling includes empty household packaging such as plastic bottles and containers marked with the triangle symbol and any number 1 to 5 inside, glass bottles and jars (lids off), paper and cardboard, and aluminium and steel cans.
- No soft plastic packaging (including plastic bags and cling wrap), polystyrene, food, or broken glass.

RED BIN

Garbage

- Everything you put in your red bin goes to landfill, where it takes up valuable space and is a lost resource.
- Some items like nappies and chip packets must go in the red bin.
- Plastic bags should be avoided, and can be taken back to a collection point at the supermarket for recycling. If you need to throw one away, put it in your red bin.

DISPOSING OF ASBESTOS

Goulburn Waste Management Centre accepts correctly wrapped asbestos for disposal at the same price as general waste. To bring asbestos to the centre, you must book by phoning the Waste Info Line on (02) 4823 4417 or the Gatehouse on (02) 4823 4839.

BIN PLACEMENT

Please place bins **1 metre apart** and away from cars, caravans and other obstructions. If your bins are obstructed, they may not be emptied. Bins must be returned to the property promptly after collection.

SLOW DOWN and take care when driving past waste collection vehicles. Staff are regularly working alongside the vehicles.

An annual **Household Chemical CleanOut** is held for domestic quantities of chemicals and some hazardous waste. Details: EPA Environment Line on 131 555.

MEDICAL WASTE must go in dedicated medical waste containers and bins. Talk to your medical professional for advice.

WASTE MANAGEMENT CENTRES

Goulburn	100 Sinclair Street (8am to 4pm 7 days)
Marulan	Wilson Drive (8am to 12pm Mon & Fri, 8am to 4pm Sat & Sun Closed 12pm to 12:30pm)
