

A-Z of Waste and Recycling Services Provided by Goulburn Mulwaree Council and some other local service providers.

- If you are aware of other services that could be included on this list or notice some services have changed or no longer exist, please call the Waste Info Line on (02) 4823 4417 or email council@goulburn.nsw.gov.au.
- For advice on Business Recycling please visit Planet Ark's business recycling website at businessrecycling.com.au or call 1300 763 768.
- Fees and charges apply for the disposal of waste at Council's Waste Management Centres at Tarago, Marulan and Goulburn as per Council's Fees and Charges.

Council Clean Up – Council no longer provides the annual kerbside bulky pick-up. This has been replaced with two free weekends:

- The first free weekend will occur on the first weekend in May at all three waste management centres and is for disposal of domestic refrigerators, e-waste, air conditioners and mattresses only. Each load is limited to disposing of 2 refrigerators, 2 mattresses, 1 air conditioner and 1m³ of e-waste. Anything above this amount will be charged as per Council's fees and charges. Waste management centre opening hours will be extended from 7am to 4pm both days of the weekend. Refrigerators, e-waste, air conditioners and mattresses other than domestic will be charged as per Council's fees and charges.
- The second free weekend will occur on the first weekend in November at all three waste management centres and is for disposal of domestic bulky waste only. Each load is limited to 2m³ maximum. Anything above this amount will be charged as per Council's fees and charges. Each load must be fully sorted or Council's fees and charges will apply. Waste management centre opening hours will be extended from 7am to 4pm both days of the weekend. Waste other than domestic will be charged as per Council's fees and charges.

Household Chemical CleanOut – the next event will be held next financial year at Goulburn and Tarago Waste Management Centres.
