

15.2 PROPOSED AMENDMENTS TO DCP 2009 AND LOCAL APPROVALS POLICY IN RELATION TO WATER AND SEWER CONNECTION

RESOLUTION 2022/140

Moved: Cr Bob Kirk

Seconded: Cr Michael Prevedello

That:

1. The report from the Business Manager Strategic Planning on proposed amendments to the *Goulburn Mulwaree Development Control Plan 2009* in relation to connection requirements for reticulated water and sewer services and a proposed Local Approvals Policy for water and sewer (reticulated and on-site), drainage and trade waste be received.
2. Council prepares an amendment to *Goulburn Mulwaree Development Control Plan 2009* in relation to connection requirements for reticulated water and sewer to provide greater clarity on where and when connection to these services is required.
3. Council prepares a Local Approvals Policy under the *NSW Local Government Act, 1993* in relation to reticulated water and sewer connection requirements and other approval requirements associated with water, sewer/wastewater management, trade waste and drainage associated with Section 68 applications made under that Act.
4. Council publicly exhibit the amendment to the *Goulburn Mulwaree Development Control Plan 2009 and the Draft Local Approvals Policy – Water Supply, Sewerage (On-site and Reticulated), Stormwater and Trade Waste* for a minimum of thirty (30) days concurrently.

Section 375A of the *Local Government Act 1993* requires General Managers to record which Councillors vote for and against each planning decision of the Council, and to make this information publicly available.
