

Cost Recovery for Kerb & Gutter and Paved Footpath Policy

POLICY OBJECTIVE

To enable Council to recover up to half cost of new kerb and gutter construction.

LEGISLATIVE PROVISIONS

Roads Act 1993 Section 217

POLICY STATEMENT

Cost Recovery for New Kerb and Gutter

Council will make a charge on owners requesting the construction of new kerb and gutter and footpath adjacent to their properties. This also includes the replacement of footpaths and kerb and gutter that is damaged as the result of construction work on private properties.

New kerb and gutter and footpath requests will be charged on the basis of half the cost of the kerb and gutter and footpath . The replacement of damaged kerb and gutters and footpaths will be on the basis of full cost recovery.

Where a charge is to be made on the owners of property, the owners will be provided notification, including an estimated cost, prior to work commencing. Following the completion of the work, the owner will be liable to the pay the agreed amount determined.

Exceptions to the above are:

- For properties located on a corner, only the front and side lengths of kerb and gutter will be applicable for cost recovery i.e. the cost of kerb and gutter around the corner will not be included.
- Where kerb and gutter is constructed on three sides of a single property, the shortest of the three sides will not be subject to cost recovery.
