Submitted Documentation

The following information **must** be attached with your application (pursuant to Clause 157 of the Environmental Planning & Assessment Regulation 2000).

Please indicate the documents you have attached by placing a tick in the appropriate box:

- the original plan of the subdivision (in electronic form plus three [3] hard copies and Form 6 prepared by a qualified Surveyor;
- a copy of the Development Consent or the Complying Development Certificate;
- a copy of the Construction Certificate (where relevant);
- a copy of detailed Subdivision engineering plans.

The following additional information may need to be included with your application. Please indicate the documents you have attached by placing a tick in the appropriate box:

Does your consent have a deferred commencement date?

No

Yes ➤ Please attach: evidence that you have met all the conditions the consent authority required you to meet before the consent can commence.

Does the consent have conditions that you must meet before the subdivision certificate can be issued?

No

Yes ➤ Please attach: evidence that you have met those conditions.

Has the Land and Environment Court decided that a drainage easement is necessary over other land so your land can be drained or your drainage can be disposed of?

No

Yes ➤ Please attach: evidence that the Council has acquired the necessary easements.

Where development consent has been granted for the development, does the consent allow you to carry out work to do the subdivision (like building roads or a stormwater drainage system)?

No

Yes ➤ Please attach: evidence that the work has been completed;

Or evidence that you have agreed with the consent authority:

- that you will pay the consent authority to do the work;
- when the consent authority will do the work.

Or evidence that you have agreed with the consent authority:

- that you will give a security to the consent authority for outstanding work; and
- when the owner/developer will do the work.
